

WAGE EARNERS SHAKEN DOWN

Must Contribute to Thompson Campaign Fund.

MUST RAISE ABOUT \$1,000

CREWS APPLIED BY REPUBLICAN COMMITTEE.

In spite of the fact that wealthy Republicans have contributed liberally to the campaign fund, Chairman Elchorn and Colonel Mazuma Lippman have come to the conclusion that it will be necessary to grind the faces of the poor. That is, they have ordered assessments on each wage-earner in the city government who professes allegiance to the Republican party.

Of course, Dennis and the colonial party, if any assessment has been levied, it is a case of "voluntary contributions," but the man who doesn't give and give cheerfully and in about the same proportion as the others, will have to hunt new positions if Mayor Thompson is re-elected.

Every Republican fireman and policeman, every clerk, every stenographer, every deputy official has been or will be asked to produce a pro rata of his earnings and turn it into the campaign treasury for use on Monday and Tuesday next, "at what it is to be done with this \$1,000 or more which is being wrung from those who can ill afford it."

Alma D. Katz has been sent out to shake down the city employees. Alma went up and down the line a day or two ago, telling each employee what was expected of him, as a "free-will offering," of course. Nevertheless, it is understood that it was made clear to every man that something would happen if he didn't do the "right thing."

As an illustration of how much coin will be raised in this way it is given that the street department alone gives up \$125. As fast as salaries are paid the amounts of the contributions are turned over to the heads of departments, who, in turn, give the money to Mr. Elchorn. Some of the workers are catching it more heavily than others. It all depends whether they are "easy."

One of the men was told that others were drawing the same pay as himself, \$80 per month, were easy and were to be as liberal as his fellows, when he started a quiet little inquisition he found that he was being asked for twice as much as his colleagues in the same class. The result is that he will submit to a "touch" for the next month.

GIRL'S PITIFUL STORY

Says She Was Driven From Home and Poverty Forced Her to Crime.

Driven from her home and cast upon the world to shift for herself, Hattie Widom, a 14-year-old girl, is now behind the bars of the county jail charged with the theft of \$10 from Minnie Zirkler, who lives at 123 Palmer avenue. She was arrested last night by Sheriff Naylor. The child, with tear-stained face, confessed her crime to the officers and told a story of alleged cruelty and struggle for existence that melted the hearts of the officers.

According to the story of Hattie's crime, she related to the county attorney, the girl was the residence of Mrs. Zirkler on the 23rd of last month, and while there was seen to take some ribbons from a box in a trunk and then about the hair of one of the children. It seems that a \$10 gold piece belonging to Mrs. Zirkler was in the box, and after the girl had left the money was missed. When the loss of the money was discovered Mrs. Zirkler made complaint to the county attorney.

At the jail the child burst into tears and confessed that she had stolen the money, but declared that absolute want had driven her to it. She declared that her stepfather, a man by the name of Croft, had driven her away from home. She then, she said, had secured a room in the city and had been working for the McDonald Candy company for \$2.50 a week. This, she said, was barely sufficient to furnish her the absolute necessities of life, let alone pay her room rent and furnish her clothes, and she had to steal the money to provide these necessities. She said she bought clothes with \$5 of the money and buried the rest in a yard, but when she returned for it she found it had been stolen from her.

She was locked up in the woman's ward and will likely have a hearing before Judge Dana T. Smith today on a charge of petty larceny.

Barber on a Rampage.

Had a Gun and a Jag and Terrorized the House.

Chris E. Christensen, a crippled barber, who on a drunken rampage with a loaded revolver in a Holmes court rooming house last night and created a mild panic until the police arrived and took him in charge.

Christensen, it is said, lunched too freely, and after coming home became so belated in his condition that he was taken to the police station. He was disturbed the peace and quietude of not only the rooming house, but all the other houses around it. The landlady, Mrs. Ogden, asked him to keep quiet, but he said he grew angry and Mrs. Ogden declares that he furnished a revolver at her, with threats against her life if she interfered with him. Mrs. Ogden called for a policeman, and a considerable excitement reigned in the house until Officer Johnson appeared. Christensen's revolver was taken away from him and he was taken to the police station, but he insisted upon accompanying the officer to the police station. He was locked up on a charge of drunkenness.
